

2010 TEXAS 4-H OPPORTUNITY SCHOLARSHIP GUIDELINES

IMPORTANT DATES TO REMEMBER

| | |
|----------------------|---|
| November, 2009 | Release of 2010 Application |
| November – January | Scholarship Trainings |
| November – December | Applicant complete FAFSA and receive report |
| Set by County Office | Application due to County Office |
| February 12, 2010 | Applications due to District Office |
| February 26, 2010 | Applications due to State 4-H Office |
| April 12-16, 2010 | Interview selection notification |
| June 5-11, 2010 | Interviews and Awards Program/Banquets |

Texas 4-H and Youth Development Program Opportunity Scholarships are ACADEMIC SCHOLARSHIPS awarded each year to applicants based on their academic record, 4-H experience, and financial need (for scholarships for which it is a required criterion). The Texas 4-H and Youth Development Opportunity Scholarship Program is conducted in coordination with the Texas 4-H and Youth Development Program, the Texas 4-H Youth Development Foundation, and Texas AgriLife Extension Service. All applications must be submitted through the applicant's county Extension office and meet all criteria to be considered.

Approximately 225 academically-competitive scholarships will be awarded in the 2010 Texas 4-H Scholarship Program ranging in amounts from \$500 to \$16,000 (amount established by donor). No scholarship recipient whose award is based on this application process will receive less than \$500 (may require receiving a combination of scholarships totaling \$500). The Texas 4-H Foundation seeks to ensure that each recipient receives the highest dollar amount of scholarship for which that recipient is eligible. For the majority of the total scholarships and scholarship funds available, participation in a livestock show is not a requirement for consideration for an Opportunity Scholarship.

SCHOLARSHIPS AVAILABLE

The Texas 4-H Opportunity Scholarship Program provides scholarships in four different categories. Each type of scholarship has its own requirements and criteria. It is up to the applicant to make sure that he/she clearly understands the requirements and completes the application in order to be considered.

- Baccalaureate Scholarships - the traditional Texas 4-H Scholarship Program, for students who wish to pursue a Bachelor of Science (BS) or Bachelor of Arts (BA) degree from an accredited Texas College or University.
- Technical Certification Scholarships - for students who wish to pursue technical certification offered in the eligible majors/courses of study and from an approved Texas accredited college listed in the scholarship packet.
- Collegiate Scholarships – designated for former Texas 4-H members who have been graduated from high school for at least one year, and completed a minimum of 30 hours of college credit at a grade point average of at least 2.7. Some collegiate scholarships contain other award criteria. (See separate application and instructions).
- Courageous Heart Scholarships – special scholarships awarded to Texas 4-H members that have overcome extreme obstacles related to medical, family, and/or education and remained an active member of both 4-H and school. These scholarships can be presented to a 4-H member striving for either a baccalaureate or a technical degree.

See the requirements related to each of these scholarships.

REQUIREMENTS

1. To be eligible to apply for, or to be awarded, a Texas 4-H and Youth Development Opportunity Scholarship, an applicant must:
 - a. be an active member of the Texas 4-H and Youth Development Program for the current year and at least the two of the three previous years, have a current enrollment form or approved online enrollment with the county Extension Office where applicant resides, and be in good standing with the Texas 4-H and Youth Development Program at all levels (county, district, and state).
 - b. be a United States citizen. If the applicant's transcript reflects a place of birth other than the United States, proof of naturalization must be provided with the scholarship application.
 - c. be a Texas resident.
 - d. be scheduled to graduate from a Texas High School (public, private, or home) during the 2009-2010 school year.
 - e. have made formal application to enroll with intent to attend a Texas college or university.
 - f. meet the entrance requirements for the college or university for which formal application has been made.
 - g. not apply for a 4-H and a FCCLA and/or FFA scholarship.
 - h. submit the most current Texas 4-H and Youth Development Opportunity Scholarship application.
 - i. not receive more than \$40,000 total from financial aid or any other scholarships if selected to receive any Houston Livestock Show and Rodeo Scholarship and remain eligible to receive the HLSR Show scholarship. Applicants must list all financial aid and scholarships for which they have applied and the status of those awards as part of the application. If selected as a finalist for a scholarship, the applicant will be notified and must verify all other financial aid and scholarships received. Other financial aid or scholarships received will be verified by submission of award letters from individual donors and financial aid offices of the college/university the recipient will attend. Funds will not be disbursed without such verification. If a HLSR Go Texan recipient is selected as a Texas 4-H Scholarship finalist, he or she will forfeit the Go Texan scholarship.
2. The Texas 4-H and Youth Development Scholarship Application must:
 - a. have all applicable pages completed.
 - b. be typewritten, except for signatures.
 - c. contain all requested signatures and initials on checklist.
 - d. contain no supplemental pages that are not requested or required.
 - e. be accompanied by the student's official transcript for their entire high school education to date (9th-12th), which is signed by a school records official (principal, counselor, registrar, etc.) and certified with a school seal. The academic achievement

record must include a photocopy of the college entrance exam's Official Report of Scores Label indicating the student's SAT and/or ACT scores. If more than one page is submitted, each page of the academic achievement record must display a school seal.

3. **All Grade Point Averages (GPA's) must be on a 100 point scale and be UNWEIGHTED**, and every applicant must have a CLASS RANKING (even if the applicant is the only student in a class – the supervising instructor/principal must indicate this). *This must be explained to the applicant's school counselor, principal, or grade clerk. All scholarships are evaluated on this scale and failure of a school to provide a class ranking and an unweighted GPA on a 100 point scale can result in disqualification of the application.*
4. All scholarship recipients **MUST BE PRESENT** at the 2010 Texas 4-H Roundup Scholarship Orientation, Awards Assembly, and donor banquets in order to receive a 4-H scholarship.
5. To be eligible to apply for a baccalaureate scholarship, an applicant must:
 - a. score at least one thousand three hundred and fifty (1350) on the SAT or at least nineteen (19) on the ACT.
 - b. understand academic scores, rankings and college entrance test scores (SAT/ACT) will only be accepted up to the application submission date. No updated test scores or academic scores or rankings will be accepted after the application due date. SAT and ACT - A copy of official documentation must be submitted with the application. This may be a copy of the form sent by SAT/ACT or a high-school transcript listing scores. SAT score must be comprised of total points from the critical reading, mathematics, and writing sections of the test from a single testing date.
 - c. be in the upper one-half of his/her class, based on scholastic rank, for the first three and one-half (3.5) years of high school. This is for all scholarships, except the Houston Livestock Show and Rodeo and Wallrath Educational Foundation Scholarships, which require that the student be in the upper one-fourth.
 - d. complete and pass all necessary standardized test(s) for graduation and admittance to the college and/or university declared in the scholarship application.
 - e. have been accepted into a Texas college or university by the time of scholarship interview.
6. To be eligible to apply for a technical scholarship, an applicant must:
 - a. complete and pass all necessary standardized test(s) for graduation and admittance to the college and/or university declared in the scholarship application.
 - b. have been accepted into a Texas college, university, or technical school by the time of scholarship interview.
 - c. NOT have plans to continue formal education at a Texas college and/or university after the completion of a technical program.
7. To be eligible to apply for a courageous heart scholarship, an applicant must:
 - a. complete and pass all necessary standardized test(s) for graduation and admittance to the college and/or university declared in the scholarship application.
 - b. have documentation of obstacles related to health, education, and/or family.
 - c. have been accepted into a Texas college, university, or technical school by the time of scholarship interview.
8. The Texas 4-H Youth Development Foundation, Texas 4-H & Youth Development Program, and the Scholarship Committee has the right to refuse and/or retract any scholarship application or scholarship award during the judging, awarding, or post awarding process. Refusal/retraction can be based, but not limited to, unfactual and incorrect information provided in the application, statements made during the interview that contradicts application, or failure to meet any requirements.

SCHOLARSHIP DEADLINES AND IMPORTANT DATES

To ensure that every applicant is completely aware of the deadlines and dates related to the scholarship process, a list of important dates are below. It is the responsibility of each applicant and their parents/guardians to know these dates and be willing to participate in all events related to the scholarship process.

- The Texas 4-H and Youth Development Program will not accept or consider any late application!
- Absolutely no excuses will be accepted in 2010 for not participating in the scholarship interview or the scholarship assembly. Therefore, applicants and families should schedule vacations, other award trips, sports activities, etc at other times than those listed below.

| | |
|----------------------|---|
| November, 2009 | Release of 2010 Application |
| November – January | Scholarship Trainings |
| November – December | Applicant complete FAFSA and receive report |
| Set by County Office | Application due to County Office |
| February 12, 2010 | Applications due to District Office |
| February 26, 2010 | Applications due to State 4-H Office |
| April 12-16, 2010 | Interview selection notification |
| June 5-11, 2010 | Interviews and Awards Program/Banquets |

SCHOLARSHIP CRITERIA

Donors of scholarship funds establish the criteria that must be followed by the Texas 4-H and Youth Development Program when considering applicants for scholarships. Applicants will only be considered for those Opportunity Scholarships for which they are fully qualified as determined by donor criteria. Interpretation of the donor criteria is the sole responsibility and at the sole discretion of the Texas 4-H and Youth Development Program in consultation with donor representatives. Decisions regarding eligibility and qualifications are final.

Criteria is not finalized until donor confirmations are received in late April. The information provided below was the criteria established for the awarding of 2009 scholarships and is for reference only for applicants to see the type of criteria assigned to scholarships.

2009 Houston Livestock Show and Rodeo Scholarships

- Attend and graduate from a public high school.
- Ranked in the top quarter (¼) of class (Top 25%).
- Must not have received more than \$40,000.00 in financial aid or scholarships (one-time or recurring).
- Demonstrate financial need.

2009 Richard Wallrath Educational Foundation Scholarships

- Ranked in the top quarter (¼) of class (Top 25%).
- Demonstrate financial need.

2009 San Antonio Livestock Exposition Scholarships

- Restricted to a designated list of majors determined by the San Antonio Livestock Exposition. Those majors include Agriculture, Life Sciences, Engineering, etc. (see list).

2009 Fort Worth Stock Show Syndicate & Southwestern Exposition and Livestock Show Scholarships

- Must have exhibited at the show during 4-H career.
- Major in an Agriculture and Life Science degree.

2009 Star of Texas Fair and Rodeo Scholarships

- Demonstrate financial need.
- Ranked in the top quarter (¼) of class (top 25%).
- Exhibit strong leadership qualities.
- GPA of 90 or better.

2009 scholarships restricted to an agriculture-related or life-science + major:

- Capital Farm Credit and all subsidiaries
- National Farm Life Insurance in memory of Dr. John Hutchinson
- Stiles Farm Foundation (also restricted to TAMUS and Blackland counties)
- Texas Farm Bureau
- Texas Section Society for Range Management

SELECTION PROCESS

Texas 4-H and Youth Development Program Scholarship applications are evaluated in two parts: 4-H experience judging and financial need judging (for scholarships for which financial need is a determining criterion). The scoring categories are divided for evaluation into objective and subjective evaluation. Grade point average (GPA) and SAT and/or ACT points are evaluated objectively using graduated scoring grids, i.e. the higher the GPA, the more points awarded to the applicant. A similar scale is used to evaluate SAT and/or ACT scores. The evaluation of the SAT and/or ACT and GPA scores are an important component of the baccalaureate application. The 4-H experience, financial need and interviews are subjectively evaluated. Eligibility for the various scholarships is determined based on stated college major and career choice.

A six-member Scholarship Selection Committee is chosen by the Texas 4-H and Youth Development Program to evaluate the scholarship applications. This committee may be comprised of Extension agents, Extension specialists and administrators, representatives from business and industry, and adult volunteer 4-H leaders. Children and grandchildren of Extension employees and Texas 4-H Foundation Board members are eligible for scholarships; however, no person serving on the Selection Committee may have a child, grandchild or sibling among the applicants in the year in which that person judges.

The purpose of the Scholarship Selection Committee is to identify, select and award recipients of the Texas 4-H and Youth Development Program Opportunity Scholarships. This is done through a process designed to be fair to all applicants, with safeguards to reduce opportunity for bias for or against any applicant.

The process begins with the 4-H member submitting a completed application, including an official high school transcript of grades, test scores, and 4-H record of achievement. Each application is carefully reviewed to ensure that it meets minimum criteria within the category submitted. Applicants that fail to meet minimum criteria are eliminated from further consideration.

The applicant's 4-H experience is subjectively evaluated by the Selection Committee. This process focuses on the applicant's 4-H projects, 4-H leadership, 4-H citizenship and community service, 4-H honors, non-4-H leadership and activities, and personal and career narratives. Each section of the "Record of 4-H Experience" is evaluated and scored. After each judge has assigned his/her score, a composite score for the "Record of 4-H Experience" is established for each applicant.

Financial need judging evaluates the "Financial Information" sections of each application. The evaluation of the financial needs is by the Free Application for Federal Student Aid (FAFSA) and a narrative, detailing applicant's need for financial assistance. Each applicant is required to submit a copy of their FAFSA report. For confidentiality, the "Financial Information" section of the application is submitted in a sealed envelope and labeled with the applicant's name and "Financial Information." Information on completing and submitting the FAFSA can be found on-line at <http://www.fafsa.ed.gov/>

After combining the scores from the 4-H experience, academic achievement, test scores and financial need, qualified applicants will be ranked within the category in which the application was submitted. From this ranking, preliminary placings are established based on donor criteria. Scholars selected are invited to interview with the Selection Committee. The interview is required for receipt of an

Opportunity Scholarship.

Scores awarded for the interview will be used to complete an applicant’s score, placing and award determination. The final step in the process is assigning and awarding the available scholarships within the award categories. Scholarships vary in dollar value. Applicants will be matched with the best scholarships available based on category selected, designated major/course of study, donor criteria, and composite score. Applicants who are selected to receive a scholarship will be required, by contract, to remain enrolled in the degree major/course of study college/university, unless a change is specifically approved by the donor/sponsor. Scholarships will be awarded during the 2010 Texas 4-H Roundup Scholarship Assembly (attendance is required in order to receive scholarship).

SCORING SYSTEM

As determined by the scholarship judges, scores are assigned based on level of achievement in the scoring categories. The scoring categories and system for the Opportunity Scholarship process are as follows:

Baccalaureate with Financial Need:

| <i>Scoring Category</i> | <i>Points Allowed</i> |
|--|-----------------------|
| 4-H Experience & Narratives | 35 |
| - Projects | |
| - Leadership | |
| - Citizenship & Community Service | |
| - Honors | |
| - Outside 4-H Leadership, Honors, Work Experience, Volunteer/Community Service | |
| Grade Point Average | 20 |
| SAT/ACT score | 15 |
| Financial Need | 20 |
| Interview | 10 |
| Total Available | 100 |

Technical with Financial Need:

| <i>Scoring Category</i> | <i>Points Allowed</i> |
|--|-----------------------|
| 4-H Experience & Narratives | 60 |
| - Projects | |
| - Leadership | |
| - Citizenship & Community Service | |
| - Honors | |
| - Outside 4-H Leadership, Honors, Work Experience, Volunteer/Community Service | |
| Grade Point Average | 10 |
| Financial Need | 20 |
| Interview | 10 |
| Total Available | 100 |

Baccalaureate without Financial Need:

| <i>Scoring Category</i> | <i>Points Allowed</i> |
|--|-----------------------|
| 4-H Experience & Narratives | 55 |
| - Projects | |
| - Leadership | |
| - Citizenship & Community Service | |
| - Honors | |
| - Outside 4-H Leadership, Honors, Work Experience, Volunteer/Community Service | |
| Grade Point Average | 20 |
| SAT/ACT score | 15 |
| Interview | 10 |
| Total Available | 100 |

Technical without Financial Need:

| <i>Scoring Category</i> | <i>Points Allowed</i> |
|--|-----------------------|
| 4-H Experience & Narratives | 80 |
| - Projects | |
| - Leadership | |
| - Citizenship & Community Service | |
| - Honors | |
| - Outside 4-H Leadership, Honors, Work Experience, Volunteer/Community Service | |
| Grade Point Average | 10 |
| Interview | 10 |
| Total Available | 100 |

APPLICATION FORMATS

The application may be completed using the computer and Microsoft Word. All forms are available from the 4-H website at: <http://texas4-h.tamu.edu>. If an applicant does not have access to Microsoft Word the application can be printed and completed using a typewriter.

ORDER OF THE APPLICATION

The completed application, along with required attachments, must be submitted in the order established below. Typed or printer generated applications are required. Each portion of the application should be completed in the space provided. DO NOT add pages to the application. Sections of the Texas 4-H and Youth Development Scholarship Application are:

- | | |
|---|---|
| Section I: Personal Information | Section VII: Personal Narrative |
| Section II: High School and College Information | Section VIII: Career Narrative |
| Section III: Livestock Show Participation | Section IX: Individual Scholastic Record |
| Section IV: San Antonio Livestock Exposition – School Tours | Section X: Courageous Heart Applicant Information |
| Section V: Financial Information | Section XI: Application Checklist and Certification |
| Section VI: Record of Experience | |
| • 4-H Projects | Attachments: • Official Transcript |
| • 4-H Leadership Roles | • SAT/ACT scores (if not included on official transcript) |
| • 4-H Citizenship and Community Service | • Copy of Free Application for Federal Student Aid (FAFSA) report |
| • 4-H Honors | |
| • Outside of 4-H Leadership Activities, Honors, Work Experience, Volunteering/Community Service | |

Information for the completion of a Texas 4-H and Youth Development Scholarship can be acquired through past 4-H record books, project forms, or other 4-H records that have been used throughout the applicant’s 4-H career.

ELIGIBLE MAJORS/COURSES OF STUDY FOR TECHNICAL CERTIFICATIONS

(Additional Majors/Courses Offered by Approved Colleges May Be Considered)

| MAJOR/COURSE OF STUDY | ABBREVIATION | MAJOR/COURSE OF STUDY | ABBREVIATION |
|--|---------------------|---|---------------------|
| Accounting Associate | ACTA | Golf Course & Landscape Management | GCLM |
| Aircraft Pilot Training Technology | APTT | Heating, Ventilation & Air Conditioning Tech. | HVAC |
| Applied Graphic Design Technology | AGDT | Histology Technology | HSTT |
